

## **Local License Application**

New Question 12:

12. Have you been involved on a consistent weekly basis in the evangelistic and ministerial efforts of your local church under the direction of your pastor for at least the past six months, and has this involvement primarily pursued actively preaching on a weekly basis? (It may also include teaching home Bible studies, participating in structured soul winning activities and discipleship classes, as well as other evangelistic venues of the local church.)
